

15/07/96.

Dear Angela.

We are sending you the phone bills. The phone bill of may is already paid. The one of June isn't paid yet. Marcio will write you as soon as he feels better. He had a heart infarct last week and he is now resting. Don't worry about him, because he is OK now. He will be at the hospital until Thursday. Best wishes,

Clara Cavalli.
